Delivery Delays

Spring is here and the demand for plants is greater than ever before!
This is putting significant pressure on our third-party transport companies.
Currently, same week delivery cannot be guaranteed.
Delays of up to two weeks from order placement may occur.

Due to the volume of orders, Biemond Nurseries may replace sold out plants with items of similar value to make up tray quantities. If you are unable to accept substitutes, please specify this when you order.

Our responsibility ceases when the transport company accepts the plants. As we use third party transport companies, same week delivery is not always guaranteed.

All orders are subject to our terms & conditions. Please contact our office for a copy and any other enquiries.

Due to limited stock available, all varieties have a limit of one tray per customer.

Stock is very limited and the list will sell out! Thank you for your patience and understanding.
